

# CME Conference: Sixth Annual Colon and Rectal Symposium

February 14, 2011

Dear Friends and Colleagues:

On April 30, 2011 Westside Regional's medical staff and the Colon and Rectal Clinic of Fort Lauderdale, P.A. will host the Sixth Annual Colon and Rectal Symposium at the Renaissance Hotel in Plantation. Once again, we have speakers coming from throughout the state. We will also be giving the annual Sergio Larach Award to a colon and rectal surgeon who has demonstrated leadership in the field of Colon and Rectal Surgery as well as presenting the Humanitarian Award to a non-healthcare provider who has made a significant contribution to our healthcare community. We are pleased to announce that this will be re-named the Debra Zelman-Guttman Humanitarian Award because of Debbie's monumental contributions to gastric cancer research in the organization of Debbie's Dream and her efforts with Crohn's Disease. This year I am very pleased to announce that we will have poster presentations from residents and fellows on their research. This is the Inaugural Year for research poster presentations. Please register early and join us in this annual event. We continue to increase the interest and excitement of the conference by entering poster presentations, awards and speakers from various fields of medicine.

Sincerely,  
Charles P. Lago, Sr., MD, FACS, FASCRS  
President of the Colon and Rectal Clinic of Fort Lauderdale  
Conference Coordinator  
www.crcftlauderdale.com
